

Oglethorpe University

1973

I shall pass
through this
world but once.

Any good
therefore that
I can do or
any kindness
that I can

show to any
human being,
Let me do it
now.

Let me not
defer or neglect
it for I
shall not pass
this way
again.

Senior Capping . . . 1973

Orientation Carnival October

The marriage of Karen and Jim Garvey III, performed by Dr. Ken Nishimura on October 31, 1972. Oglethorpe's first campus wedding.

John, Jon, Penny, Brian

Jon, Penny, Dave, Debbie

Are you optimistic 'bout the way things are going?

No, I never ever think of it at all.

Don't you ever worry when you see what's going down?

No, I try to mind my business, that is, no business at all.

When it's time to function as a feeling, human being, will your Bachelor of Arts help you get by?

I hope to study further, a few more years or so. I also hope to keep a steady High.

Will you try to change things, use the power that you have, the power of a million new ideas?

What is this power you speak of and this need for things to change? I always thought that everything was fine.

Don't you feel regression just closing in around?

No, the campus here is very, very free.

Thank you for the talk you know, you really eased my mind. I was troubled by the shape of things to come.

Well, if you had my outlook, your feelings would be numb, you'd always think that everything was fine.
